Re : Single Investor Data (SID) Deactivations by Account Holders

Dear Sir/Madam,

To improve our services to KSEI Account Holders, especially regarding KSEI's Single Investor Data (SID) deactivations, we hereby convey to you the following points:

1. SIDs can be deactivated directly by Account Holders by uploading Deactivation Instructions in the C-BEST screen;
2. Deactivation Instructions, as mentioned in point 1, can be done after the related Securities Sub-Account has been deactivated and in a "Deactivated" status.
3. Deactivation Instructions can be done as long as C-BEST is active and accessible;
4. KSEI Account Holders are required to verify and be responsible for the accuracy of the SID numbers that will be deactivated;
5. On-site training on the deactivation of SID numbers can be conducted by using the C-Best Training Machine, starting from June 8, 2020, at the following address:
<http://training.cbest.ksei.co.id/>

To facilitate KSEI Account Holders in using this service from KSEI, we have attached a Guide for KSEI Account Holders on Deactivating SID Numbers. The above-mentioned SID deactivation mechanism will come into effect as of July 1, 2020.
