Re: Investor Data Improvement

Dear Sir/Madam,

In order to improve the validity of the capital market investor data, KSEI has conducted data verification of investors in the Sub Securities Account with the Resident ID card data recorded at the Population and Civil Registration Department of the Ministry of Home Affairs (Dukcapil). As a follow up on the result, we require KSEI Account Holders to conduct re-verification and validation of investor data that is different with the population data recorded at Dukcapil.

Thus, we would like to invite 2 (two) representatives from respective KSEI Account Holders in charge with investor data validation to attend our event on:

Date : Monday, December 21st, 2015
Time : 9 – 11 AM
Venue : Financial Hall, 2nd Floor
Graha CIMB Niaga
Jl. Jend. Sudirman Kav. 58, Jakarta 12190

For further information, please contact the Account Management Unit of Indonesian Central Securities Depository by phone at +6221-515 2855 or by e-mail at helpdesk@ksei.co.id.

We look forward to meet you. Thank you for your kind attention and cooperation.

Sincerely yours,
