Re : The Full Implementation of the Static Data Investor Module

Dear Sir/Madam,

Referring to KSEI's Announcement No. KSEI-3621/DIR/1213, dated on December 23, 2013, regarding the Implementation of Static Data Investor Module, we hereby reinform you that starting on March 3, 2014, we will conduct a full implementation of the module. Thus, every administration activity on the Securities Account and Sub Securities Account will be conducted using the *Static Data Investor* (SDI) module at C-BEST.

The administration activities include the opening of client's Sub Securities Account, updating client's data, blocking and unblocking of Sub Securities Account, and the closing of Sub Securities Account directly from C-BEST terminal of respective Account Holders, in accordance with the policies and procedures at KSEI.

We will no longer provide the old procedures of securities account administration services, starting March 3, 2014.

KSEI's account holders will be given the chances to conduct familiarization using KSEI's testing machine at the following IP address: 10.112.6.15, by sending e-mail to KSEI's Quality Assurance Unit (pm@ksei.co.id).

Should there be any questions regarding the matter, kindly contact KSEI's Account Management Unit or KSEI's Call Center at +6221-515-2855.

Thank you for your kind attention and cooperation.

Sincerely yours,

Indonesian Central Securities Depository
