IDX and KSEI Publish Share Ownership Information of Listed Companies Above 1%

March 3, 2026

Jakarta – In line with the Decree of the Board of Commissioners of the Financial Services Authority (OJK) Number 1/KDK.04/2026 regarding the Designation of Indonesia Central Securities Depository (PT Kustodian Sentral Efek Indonesia/KSEI) and Indonesia Stock Exchange (IDX) as Public Companies' Share Ownership Data Provider to the Public, IDX in collaboration with KSEI, has officially published information of share ownership in listed companies exceeding 1%. Going forward, based on the decree, this information will be provided by KSEI and published on IDX website on monthly basis. This publication forms part of ongoing efforts to enhance the quality and transparency of share ownership data of listed companies on IDX. The information is presented in a structured manner to provide investors and stakeholders with a clearer and more transparent overview of listed companies' shareholding structures.

This initiative is part of a broader reform agenda aimed at strengthening transparency and governance in the Indonesian capital market. IDX and KSEI remain committed to continuously improving disclosure standards in line with global best practices, enhancing the depth and reliability of market data, and ensuring an orderly, fair, and efficient market.

With this information, investors are expected to gain more accurate references for investment decision-making, while further reinforcing trust, integrity, and the credibility of the Indonesian capital market.

The Share Ownership Information of Listed Companies Above 1% is accessible via the IDX website at www.idx.co.id/en/news/announcement/ or through www.idx.co.id > News > Announcements.
